

## E-learning: Quantum Suite

### Synopsis

This suite of e-learning courses covers different aspects of valuing general damages and special damages in personal injury claims.

Each course includes helpful downloads with templates, guidance and top tips.

If you're looking for face-to-face training or virtual classes take a look at our courses on [special damages](#) and [general damages](#).

You can buy a licence for a single course or for the full suite. If you are interested in licences for your team please get in touch with Jody Jezusek on 0114 2738300.

### Duration

Each course takes 20 – 30 minutes

### Format

E-learning

### Delegates

Trainee solicitors, paralegals, litigation assistants, claims handlers

---
