

Liability in RTA cases

Synopsis

This module covers the legal basis for RTA claims, the relevance of case law and the Highway Code and the importance of evidence gathering.

Duration

Workshop 6 hours

Online assessments – 30-60 minutes each

Format

Interactive workshop based on:

- animated accident reconstructions
- document-based case studies
- courtroom reconstruction

Online assessments with tracking and reporting. We can create scenarios to meet your training needs.

Delegates

Solicitors, legal executives and paralegals handling fast track RTA claims

Maximum 12 per course

Outcomes

As a result of attending the course, you will be better at:

- analysing the facts in RTA cases
- identifying claims with good prospects of success
- selecting evidence appropriately
- understanding and using key legal concepts and language
- progressing claims efficiently
